RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS UNDER 35 U.S.C. 371 IN
THE UNITED STATES DESIGNATED/ELECTED OFFICE (DO/EO/US)

Mail Stop PCT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) applicant is submitting the following:

In the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) it is indicated that an English translation of the claims was

missing from the English translation of the International Application as filed under 35 U.S.C. 371(c)(3).

Applicant notes that an English translation of the claims was submitted by Express Mail on October 3, 2005 together with the English translation of the International Application.

Applicant is hereby re-submitting a second, courtesy, copy of the English translation of the International Application.

It is noted that the first page which is numbered as page 1 includes the Abstract of the International Application and that the next two pages which are numbered as pages 1 and 2 include an English translation of the original claims of the International Application.

It is believed the English translation of the claims which were submitted by Express Mail on October 3, 2005 together with the English translation of the International Application may have been inadvertently overlooked, because the English translation of the claims was not located at the end of the application, but rather was located between the Abstract and Specification near the front of the application.

It is believed that applicant met all the requirements on 35 U.S.C. 371 when the paperwork for the International Application was filed by Express Mail on October 3, 2005.

Applicant is further submitting herewith a copy of the Return Receipt Postcard that was acknowledged as being received by the US Designated/Elected Office and as including an English translation of the claims.

Applicant requests the US Designated/Elected Office to verify the U.S. filing date of this application, in view of the facts set forth in this response.

A copy of the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) is included in this response.

It is believed that this response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) is complete and sufficient to address and correct the outstanding issues which were raised.

The undersigned authorizes the Commissioner of Patents to charge Deposit Account No. 12-2136 the processing fee of \$130 noted in the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US).

However, it is requested that the processing fee be waived or re-credited to Deposit Account No. 12-2136, inasmuch as the English translation of the original claims of the International Application were indeed previously filed with the paperwork for the International Application was filed by Express Mail on October 3, 2005.

Respectfully submitted,

Michael S. Gzybowski
